Local Kitchen & Patio

March 17, 2020

Update to Our Valued Guests,

Over the last few weeks, our communities have been forced to confront the uncertainties of the Coronavirus (COVID-19) and the impacts that this pandemic is creating. This has touched everyone within our community in some way or another.

The health and safety of our staff and our community is a major priority, so with the careful consideration and guidance from local and county government we have made the decision to temporarily close our dine-in operations starting at 3:00pm on Tuesday, March 17th, 2020 until April 1st, 2020.

We will offer take-out food service at this time. This service will be a pre-paid, curbside carry out. CONRAD'S 816-407-1717 / STABLES 816-903-3000. Our full menu is available and viewable at our websites: www.Conrads816.com and www.Stables816.com.

This will be a difficult time for everyone in our community. Many of us small businesses have to take what information that is in front of us and make the best decision we can, this is never easy. Please remember that we are all in this together and to help each other where we can. We want to THANK YOU for your continued support of local businesses.

Sincerely,
